

**The Seigal Expert System** works towards understanding the mental state of the patient. By asking pertinent questions and observing their responses, one can methodically derive mental rubrics of the patient in a matter of few minutes. This simple practice of **Sehgal Method** has been proven repeatedly over many years by Dr. M. L. Sehgal and carried forward by his eminent sons, Dr. Sanjay Sehgal and Dr. Yogesh Sehgal. The Seigal Expert System is now available in the German and Bangla Language also.
